

Advertisement Feature - Summer fun at Uist Community Riding School

As we bask in sunshine and fine summer days we are all aware that it could change at any moment and drive us indoors, however here at the Uist Community Riding School we can offer plenty of outdoor and indoor entertainment for all the family.

All our horses and ponies wait your arrival to offer different fun activities, such as pony pannier picnics. These operate throughout the summer and are great fun for kids. Our Shetland ponies will carry all the wood, sausage and marshmallows up the beach or on to the moors for a fry up.

Orienteering - try some map reading and orienteering and learn new skills.

Cart rides - we have three ponies trained up to pull a cart around East Camp and surrounding area. Why not come along and try this.

Cream teas - we have had some clotted cream flown all

the way from Devon to supply you with a proper West Country cream tea, served every Saturday in July 2-4pm at East Camp Trust gardens and if it's wet, tea can be served in one of our polytunnels. You will also have the opportunity to buy seasonal veg and plants.

Indoor & outdoor games - those who do not wish to ride are welcome to come down to our ball game afternoons on Fridays 3-4pm, to play

indoors or outdoors depending on the weather.

Sport for all - we are starting a Tetrathlon training evening once a week on Tuesdays 5-7 to train towards this four-discipline event.

Swimming, running, cycling and riding - you do not need to be an experienced rider. Come and give it a go.

Along with all these choices we still coordinate, lessons, jumping and dressage opportunities, beach paddles and beach rides, pony pamper sessions and own a pony mornings, Pony Club badge days and summer camp 1-5th August.

Congratulations to 3 staff members James Buckley, Nina Wren and Rosie Blaney who have successfully completed their SVQ Level 2 in Horse Care & Management.
