Uist Community Riding School Show success

THE ANNUAL Uist Community Riding School show went ahead recently, with neither horses or spectators put off by the poor weather.

A number of local and visiting horses entered the 23 classes at Balivanich, with judging starting at 8am.

Hannah MacDonald was named overall rider of the day, while Jack was the horse with most points.

The show ended with a fancy dress display, followed by the handing out of trophies and the acknowledgements for the day.

Yard manager Sue MacDonald said: 'My thanks go to all those who helped organise and take part in the event, the judge, the photographer, the An Caladh Cafe, the UCRS committee, helpers, spectators, friends and family, riders and, of course, the horses.'
